Health & Welfare Fund  
Metairie, Louisiana

**INDEPENDENT AUDITORS' REPORT**

We have audited the accompanying statement of benefit obligations and net assets available for benefits of the Jefferson Federation of Teachers Health & Welfare Fund as of August 31, 2007, and the related statement of changes in benefit obligations and net assets available for benefits for the year then ended. These financial statements are the responsibility of the Fund's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Governmental Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion the financial statements referred to above fairly present in all material respects, the benefit obligations and net assets available for benefits of the Jefferson Federation of Teachers Health & Welfare Fund as of August 31, 2007, and the changes in benefit obligations and net assets available for benefits for the year then ended in conformity with U.S. generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information in Schedule 1 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

In accordance with Government Auditing Standards, we have also issued our report dated November 21, 2007 on our consideration of the Jefferson Federation of Teachers Health & Welfare Fund's internal control over financial reporting and our test of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

Respectfully submitted,

## NOTES TO FINANCIAL STATEMENTS

### Jefferson Federation of Teachers Health & Welfare Fund

August 31, 2007

#### Note 1 - FUND DESCRIPTION

The Fund was established May 9, 1983 pursuant to a collective bargaining agreement entered into by and between the Jefferson Parish School Board ("Employer") and the Jefferson Federation of Teachers ("Union"), for and on behalf of teachers and other employees engaged in covered employment under the collective bargaining agreement.

The Fund is a voluntary employee beneficiary association ("VEBA") qualified under Section 501 (c) (9) of the Internal Revenue Code and organized and administered under Louisiana State law. Consequently, a trust agreement was adopted May 9, 1983 governing the Fund's administration and a plan of benefits was adopted subsequently thereto specifying the eligibility rules for employee and dependent participation and the benefits extended by the plan.

Because the Fund has been established for the exclusive benefit of public employees and is funded pursuant to the collective bargaining agreement by contributions of a governmental agency, the Plan is a "governmental plan" exempt from the coverage of ERISA (the Employee Retirement Income Security Act of 1974). The Plan is not regulated by Section 302 (c) (5) of the Labor Management Relations Act, despite its collectively bargained status, since the Act exempts from its purview employers and unions in the public sector.

The Fund and Plan are administered by ten Trustees, five of whom are appointed by and represented by the Employer, and five of whom are appointed by and represented by the Union. In the event of an Employer-Union deadlock in the Trustee votes, the Trust Agreement requires the parties to arbitrate any question concerning the Fund's administration. Although authorized by law to offer any benefit sanctioned by Section 501 (c) (9) of the Internal Revenue Code, the Plan presently pays only dental, vision, and death benefits and does not offer major medical benefits of any kind because this Fund's participants are also eligible participants in the State Employees Group Benefit Program. The Trustees of the Jefferson Federation of Teachers Health & Welfare Fund limit benefit coverage to those excess or non-core benefits not offered by the statewide Fund.

Effective January 1, 1991, the Fund began to self insure all benefits payable by the Plan with the exception of its life insurance program, which is still fully insured.

The Fund is self administered by an Administrative Manager and staff employed directly by the Board of Trustees.

## Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Fund have been prepared using the accrual basis of accounting.

All contributions submitted to the Fund are administered by the Board of Trustees pursuant to the Plan of Benefits, as amended from time to time.

The Fund depreciates its furniture and equipment over useful lives of five to seven years using the straight-line method. Depreciation expense for the year ended August 31, 2007 was \$62,148.

The liabilities for dental vision claims were estimated by the Plan's actuary based on a percentage of paid claims for the year ended August 31, 2007.

Investments are valued at quoted market price.

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

At various times during the period, cash on deposit with one banking institution exceeded the \$100,000 insured by the Federal Deposit Insurance Corporation. Management monitors the financial condition of the financial institution on a regular basis, along with their balances in cash and cash equivalents to minimize the potential risk.

## Note 3 - FUNDING POLICY

The Jefferson Parish School Board contributed \$1,107,075 to the Fund for the year ended August 31, 2007. An employee may voluntarily contribute additional amounts, determined by the Trustees to purchase coverage for the employee's eligible dependents. Employees contributed \$1,098,141 during the period to obtain dependent coverage.

If eligibility is terminated due to cessation of employment or a reduction in hours, an employee may pay for extended coverage pursuant to COBRA, state law and Plan rules for limited terms and under the limitations specified in the law and the Plan.

#### Note 4 - INVESTMENTS

The Plan's assets are held by a bank custodian and are invested by a professional investment manager pursuant to investment guidelines issued by the Trustees and pursuant to the bank's written contract with the Board. During the year the Fund's investments (including investments bought, sold and held during the period) increased in value by \$200,684 as follows:

	Net Increase (Decrease) in Value During <u>Year</u>	Fair market <u>value</u>
Investments at fair value as determined by quoted market price:		
Money market funds	\$ -	\$ 86,270
Mutual funds	16,779	15,031
U.S. Government obligations	(1,166)	500,416
Corporate bonds and notes	(7,972)	795,729
Common stock	<u>193,043</u>	<u>1,165,302</u>
	<u>\$ 200,684</u>	<u>\$ 2,562,748</u>

The fair value of individual investments that represent five percent or more of the plan's total assets are as follows:

Federal Nat'l Mortgage Assoc. Notes (\$160,000 face amount)	\$ 164,350
GTE South Inc Series C debentures (\$200,000 face amount)	200,137

#### Note 5 - INCOME TAXES

The Fund is exempt from income taxes under Section 501 (c) (9) of the U.S. Internal Revenue Code.

#### Note 6 - RETIREMENT PLAN

Employees of the Fund participate in the Louisiana Teachers' Retirement System and therefore, accrue credits in that Fund's defined benefit plan in accordance with its own eligibility rules. No information is available concerning the Louisiana Teachers' Retirement System's actuarial soundness, net assets, or actuarial present value of accumulated vested and non-vested benefits.

Note 7 - LEASING ARRANGEMENTS

The Fund's office facilities were rented under a non-cancelable operating lease through May 31, 2005. This lease was extended to May 31, 2009. Future fixed rentals under the lease are as follows:

<u>Year ended</u> <u>August 31</u>	<u>Amount</u>
2008	\$ 20,937
2009	<u>15,898</u>
Total	<u>\$ 36,835</u>

Rent expense for the year ended August 31, 2007 totaled \$20,585.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH GOVERNMENTAL AUDITING STANDARDS**

We have audited the financial statements of Jefferson Federation of Teachers Health & Welfare Fund as of and for the year ended August 31, 2007 and have issued our report thereon dated November 21, 2007. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Governmental Auditing Standards, issued by the Comptroller General of the United States.

**Internal Control over Financial Reporting**

In planning and performing our audit, we considered Jefferson Federation of Teachers Health & Welfare Fund's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be a material weakness.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Jefferson Federation of Teachers Health & Welfare Fund's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations and contracts, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The result of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

This report is intended for the information and use of the management, Board of Trustees, and the Legislative Auditor's office. However, this report is a matter of public record, and its distribution is not limited.

Respectfully submitted,
